### Tips to protect yourself

Always be cautious when using your credit card. Check and keep track of your monthly statements. Never reveal your PIN to anyone, and avoid using obvious PIN's or passwords such as your birthday, SIN or phone number. Do not reply to emails or phone calls asking for information such as your PIN or credit card number with expiration date, unless it was initiated by yourself. And always be sure to shred documents that contain personal information before you recycle them.
