Time to Pay

If you make only the Minimum Payment each month, we estimate it will take 0 year(s) and 10 month(s) to fully repay the outstanding balance. Our estimate is based on the New Balance shown on this statement and your current credit card account terms.

Foreign Currency Conversion: The exchange rate shown on your Statement, to six decimal places, is calculated by dividing the converted Canadian dollar amount, which is shown on your Statement rounded to the nearest cent, by the transaction currency amount. The exchange rate on your Statement may differ from the original benchmark rate used because of this rounding. The Canadian dollar amount charged to your credit card account is 2.5% over the benchmark rate. Some foreign currency transactions are converted directly to Canadian dollars, while others may be converted first to U.S. dollars, and then to Canadian dollars. In either case, the benchmark rate will be the actual exchange rate applied at the time of the conversion and is generally set daily. To obtain the original benchmark rate set by Visa[‡] at the time a transaction was converted to Canadian dollars, please visit the Visa website at usa.visa.com/support/consumer/travel-support/exchange-rate-calculator.html, or call us at 1-800 Royal[®] 1-2 (1-800-769-2512).
