#### Time to Pay

If you make only the Minimum Payment each month, we estimate it will take 7 year(s) and 11 month(s) to fully repay the outstanding balance. Our estimate is based on the New Balance shown on this statement and your current credit card account terms.

#### Please Note:

You are benefiting from introductory or promotional interest rates on cash advances that expire soon. If you have taken advantage of these rates, your Interest Rate Chart shows your expiry dates. Once your rates expire the interest rate of 21.99 % for cash advances will take effect.
